Letter of Reference:

Daryl Milliner Sr. (CEO) DM Diversified LLC is a great business partner to build a partnership with throughout the city of Aliquippa and Pittsburgh areas. Daryl is always willing to assist with other businesses in Aliquippa and other surrounding areas.

Daryl has is a powerful Black Business Leader in Aliquippa and in surrounding areas; he has been a great business leader/community contributor for many years. Over the years he has always remained very helpful to others and committed to the communities to assist with support and technical needs.

Daryl is extremely knowledgeable about business and is always helping entrepreneurs in the area with business knowledge. His company is state of the Art, and he offers great technology solutions for all businesses. When doing anything in the community; Daryl is a reliable sponsor and partner to consider working with for any type of event.

He is always displaying positive energy, care, and concern for the Aliquippa Community. He embodies Leadership and compassion for the community, and it shows with all that he does while helping others.

I have recently seen Daryl helping in the community with the Aliquippa Football Team; The AHS All Class Alumni and Vending at the Aliquippa Wellness Festival. He was educating the Aliquippa School District and Community on how his Digital Sanitizers and Mask Dispensers can help keep our Students and Faculty safe. He was passing out literature to educate parents and students, also giving out bags of hand sanitizers and mask to the community to remember to stay safe during this Pandemic.

I would highly recommend Daryl Milliner (CEO) of DM Diversified LLC for any Leadership Role in the Aliquippa Community and Surrounding areas. As a Professional Business Leader, his dedication to the community is apparent.

Please reach out to me for any other information needed:
